	Closure type	Cork

### ABOUT THIS WINERY

At the start of the 20th century, Château Cormeil-Figeac was in a period of decline. In 1940, Château Cormeil-Figeac became the property of the Moreaud family. A reconstitution of the domain then begins, with new plantings, drainage works and a new cellar. Today, the fourth generation, made up of Coraline and Hector, builds on a know-how acquired over more than 70 years.
