### ABOUT THIS WINERY

Château Labadie is located in the town of Bégadan (Bordeaux). Benefiting from a privileged geographical location and a very qualitative terroir with thin agile calcosols on hard limestones, this family property continues to develop. Respect for nature is essential according to Jérôme Bibey, owner, for the production of a local wine.

### TASTING NOTES

### PRODUCT NOTES

The vineyard is located between the Gironde and the Atlantic Ocean, thus benefiting from a particular climate which offers ideal maturity. This family estate is divided into two distinct parts: clay-limestone soils for good structure, and gravel which adds finesse.

### PRODUCTION NOTES

The harvest lasts 14 effective days in mechanical harvest. Vinification with cold pre-fermentation macerations in thermo-regulated concrete and stainless steel vats. Aging 12 months in French oak barrels, which are replaced by a quarter every year.
