ABOUT THIS WINERY

Sea Sun Vineyard is anchored in its Californian terroir and consists of the most recent adventure of the Wagner family, recognized for the production of the famous Caymus Cabernet-Sauvignon. Sea Sun reflects what makes California so popular, its sea and its sun. Located on the coast, the different terroirs of Sea Sun are ideal for growing Chardonnay and Pinot Noir.

TASTING NOTES

With a deep and seductive red, this wine is soft on the nose and on the palate. A rich fruity character with aromas of baked cherries and pie crust. The notes of brown spices and warm vanilla signal a perfectly integrated and slightly present wood. The onset is crisp and fruity, with lush cherry flavors that mimic the nose.

PRODUCT NOTES

Sourced from three coastal regions of California. Sea Sun Pinot Noir is a layered wine shaped by subtle differences in where we source our raisins. The majority of our fruit presented from Monterey County, which offers a perfect climate and high quality vineyards.

PRODUCTION NOTES

Harvest in September and October. The wine was lightly aged for 6 months in a combination of new and neutral French oak, giving it a toasty character while retaining the fruit's vibrancy.
