ABOUT THIS WINERY

Proud of its ancestral traditions, the Botter house has been guided by 3 generations of Venetians for whom wine has always been the greatest passion. For almost a century, this company has been able to integrate Italian traditions into their wine to extract the best possible products from their cuvées.

TASTING NOTES

Pale yellow color. Delicate and complex nose with hints of fruit reminiscent of peach, green apple then acacia and lilac. The palate is refreshing and light on the palate with a nice balance between body and acidity. Harmonious with a long persistence.

Ideal as an aperitif, it combines perfectly with starters and delicacies. Also goes well with sushi, fish and seafood.

Serving temperature: 8 to 10 ° C.

PRODUCT NOTES

Temperate and mixed climate by the sea and the Alps chain which protects from the northeast winds. The winters are cold and humid and the summers hot and stuffy with temperature variations.

PRODUCTION NOTES

The must is gently pressed and stored in stainless steel tanks. The fermentation is controlled at constant temperature. The second fermentation is carried out according to the Charmat method.
