TASTING NOTES

Green yellow color with fine bubbles. Round on the attack with softness, intense aromas of apple with hints of brioche and honey, creamy mousse. Pleasant from the aperitif until the end of the meal. It will go wonderfully with desserts. Serving temperature: 5 to 6 ° C.

PRODUCTION NOTES

Manual harvest. The grapes are harvested by hand and delicately placed in boxes with a pierced bottom. Made using the traditional fermentation method after a second fermentation in the bottle lasting over twelve months. Direct pressing, fermentation at 18 ° C, aging in vats.
